1       B.     "Person" means any individual, corporation, partnership, or other entity.

2       C.     "Document" is used in the broadest possible manner and includes any  
3 written, printed, typed, photocopied, photographic or recorded matter of any kind or  
4 character, whether prepared by you or otherwise, including, but not limited to, all notes,

6 guidelines, rules, instructions, lists, forms, files, notebooks, and information stored in any  
7 data processing or word processing system. The term "document" includes documents the  
8 person responding to the interrogatory possesses, as well as documents that other persons

11 constitute separate documents and must all be produced.

12      E.     To "identify" a person means to state the full name of the individual, the  
13 individual's last known business and home addresses and phone numbers, and, if known,

16 whom it was distributed (if known), the type of document (*e.g.*, letter, memorandum,  
17 agreement, etc.), and a brief summary of its contents. Instead of providing a summary of  
18 the contents of a particular document, you may simply produce a copy. If, for some reason  
19 it cannot be produced, state its present location and the name and address of the custodian,  
20 and why it cannot be produced.

21      G.     "Describe" means to fully, faithfully, and accurately set forth every fact,  
22 event and/or circumstance, including omissions, which in any way relate to the matter in  
23 inquiry.

## OBJECTIONS

If you object to answering any interrogatory or request for production, in whole or in part, state your objection and the factual or legal reasons supporting it. If you object on grounds of privilege, please also state the nature and extent of all allegedly privileged matters in sufficient detail to allow the Defendant to seek an order compelling disclosure of the information or document in question. PLAINTIFF'S ANSWERS TO  
DEFENDANTS' AMENDED FIRST  
DISCOVERY REQUESTS

## GENERAL RESPONSE AND OBJECTION

In accordance with Federal Rules of Civil Rules 26, 33, and 34, plaintiff responds to Defendants' First Discovery Requests. Plaintiff objects to the extent Defendants' First Discovery Requests seek information not discoverable under the Civil Rules or seek to impose obligations not expressly provided for under the Civil Rules, specifically including but not limited to the instructions regarding identifying and producing documents protected from disclosure, as well as improper implications that the interrogatories and requests for production are "continuing" to any extent beyond the scope of FRCP 26(e).

The answers herein are based upon information obtained to date. Defendant expressly reserves the right to supplement or revise its responses, if necessary.

## ANSWERS AND OBJECTIONS

**INTERROGATORY NO. 1:** Please identify each person who has knowledge of any facts or information relevant to the subject matter of plaintiff's claims against defendants and provide a brief description of their knowledge.

**ANSWER:** Rick Neill, V.P. Sales, StonCor, Maple Shade, N.J., has knowledge regarding plaintiff's confidential information and trade secrets and defendants' misappropriation of same, defendant Campton's terms of and employment with StonCor, defendant Campton's breach of the non-compete provision, and StonCor's relationship with Costco.

Mark Liddle, Division Mgr.-West Coast, StonCor, Danville, Cal., has knowledge regarding StonCor's relationship with Costco, StonCor's installers, and defendants' misappropriation of plaintiff's confidential and trade secret information and breach of non-compete provision.

Ali Moayeri, Tom Walker, and Josh Smith (Costco employees) have knowledge of defendant Campton's solicitation of Costco.

Doug Miller, FSM for the Northwest, has information regarding defendant Campton's violation of his non-compete provision.

Marshall Liverman, Fibregrate, Dallas, Texas, has knowledge of the terms of defendant Campton's employment with StonCor during the 1989-mid 90s period.

StonCor installers (to be provided under protective order and following further discovery) have knowledge of solicitation of StonCor's customers by defendant Campton and misappropriate of StonCor's confidential and trade secret information.

Discovery is ongoing and this response may be supplemented.

1                   **INTERROGATORY NO. 2:** Identify all lawsuits to which plaintiff has been a party  
 2 since January 1, 1984. Include in your answer the name of the action, the court in which it  
 3 was filed, the Cause Number, the nature of the dispute, whether you were plaintiff or  
 4 defendant, how the matter was resolved, the date of resolution, and, if a judgment was  
 5 entered, the amount of the judgment.

6                   **ANSWER:**

7                   Objection. Overbroad, unduly burdensome (as this includes every case for the past 21  
 8 years on any topic, including slip and falls, etc.) and not likely to lead to the discovery of any  
 9 admissible evidence. Without waiving, StonCor agrees to provide information regarding  
 10 lawsuits in which it has been a party involving the enforcement of a non-compete agreement  
 11 or breach of confidentiality/trade secrets. This information is set forth below.

- 12                  •     *Stonhard, Inc. v Ray Gutoski and Cornerstone Industries*, Circuit Ct., Cook  
                       County, Illinois, Case No. 00CH 17712 (2000)
- 13                  •     *Stonhard, Inc. v Carolina Flooring Specialties, Daniel & Manuel Parham*,  
                       U.S. Dist. Ct., Dist. Of S.C., Case No. 6:03-1908-25 (2003)
- 14                  •     *Stonhard. Inc. v. Daniel Hess*, U.S. Dist. Ct., Dist. of Indiana, Case No.  
                       1:92cv920.

15                   **INTERROGATORY NO. 3:** Identify all of Stonhard's customers from January 1,

16                   2003 through present.

17                   **ANSWER:**

18                   Objection. Turning over StonCor's confidential and proprietary customer list to a  
 19 known competitor who has already misused such information to his own advantage will  
 20 further harm plaintiff. It is also not likely to lead to the discovery of any admissible evidence  
 21 in this matter. Without waiving, a list of Stonhard's customers who defendant Campton has

1 solicited StonCor customer Costco, in addition to others, which will be disclosed pursuant to  
2 the protective order. Discovery is ongoing and this may be supplemented.

3  
4  
5

6 **INTERROGATORY NO. 4:** Identify all work performed for Costco by Stonhard  
7 from January 1, 1988 through present.

8 **ANSWER:**

9 This request is vague as to defendant's meaning of "all work." Without waiving,  
10 plaintiff provided polymer flooring for new Costco construction in the United States from  
11 July 1988, through the date defendant Campton churned the account to Hi-Tech. StonCor  
12 also provided all maintenance for Costco related to its polymer flooring, during the same  
13 period. StonCor believes and understands that it was the exclusive provider of polymer  
14 flooring (new and maintenance) for Costco during this time StonCor also provided polymer  
15 flooring (new construction and maintenance) for Costco in Canada, Mexico, Europe and Asia  
16 on a non-exclusive basis, during the time period described.

17  
18  
19

20 **INTERROGATORY NO. 5:** Identify the territory manager that "obtained" the  
21 Costco account for plaintiff, as described in Paragraph 9 of the Declaration of Richard Neill.

22 **ANSWER:**

23 Kevin Conroy

24  
25  
26

1           **INTERROGATORY NO. 6:** Please identify each person who has worked or  
2 currently works as a Territory Manager for plaintiff since January 1, 2003 and identify if he  
3 or she is a current employee.

4           **ANSWER:**

5           Plaintiff objects as overbroad and not likely to lead to the discovery of any admissible  
6 evidence.

7  
8  
9  
10           **INTERROGATORY NO. 7:** Please identify each person who has worked or  
11 currently works as a Field Sales Manager for plaintiff since January 1, 2003 and identify if  
12 he or she is a current employee.

13           **ANSWER:**

14           Plaintiff objects as overbroad and not likely to lead to the discovery of any admissible  
15 evidence.

16  
17  
18  
19           **INTERROGATORY NO. 8:** Please identify each of plaintiff's Territory Managers  
20 that has stopped working for plaintiff since January 1, 2002.

21           **ANSWER:**

22           Plaintiff objects as overbroad, vague and not likely to lead to the discovery of any  
23 admissible evidence.

1           **INTERROGATORY NO. 9:** Identify and describe the content of any and all  
 2 communications you had with Ali Moayeri from January 1, 2000 to present.

3           **ANSWER:**

4           Nearly all communications with Mr. Moayeri were through defendant Campton. The  
 5 only communications between plaintiff (aside from defendant Campton) and Mr. Moayeri, of  
 6 which plaintiff is aware, are as follows:

7           A meeting between Mr. Moayeri and Mr. Liddle at a job site in the early 1990s. A  
 8 lunch meeting in the early 1990s with Don Zikmund, Chris Campton, and Rick Neill, in  
 9 Seattle. A few conversations in 2002 during a week or so period, between Rick Neill and  
 10 Mr. Moayeri, after defendant Campton became the FSM for the NW. A call from Mark  
 11 Liddle to Mr. Moayeri in last week of April 2005, to set up a meeting regarding transition  
 12 following defendant Campton's departure. A meeting with Mr. Moayeri, Mr. Liddle and Mr.  
 13 Neill on May 5, 2005, regarding transition following Mr. Campton's departure. A May 9,  
 14 2005, email from Mr. Liddle to Mr. Moayeri following up on the meeting. A voicemail  
 15 message from Mr. Moayeri to Mr. Liddle, on May 10, regarding defendant Campton's  
 16 "compelling" presentation. See also RFP No. 1.

17  
 18  
 19  
 20           **INTERROGATORY NO. 10:** Identify any and all installers who belong to  
 21 plaintiff's installer network, that is described in the Declaration of Richard Neill, filed in this  
 22 action and the dates that the installers joined the network.

23           **ANSWER:**

24           This seeks confidential, proprietary and trade secret information, which plaintiff  
 25 believes defendant Campton has and/or intends to misappropriate. This information will be  
 26 produced pursuant to a protective order for attorneys eyes only and for in camera review by

1 the court.

2  
3  
4  
5  
6 **INTERROGATORY NO. 11:** Identify each "trade secret" that plaintiff alleges has  
7 been misappropriated by defendants.

8 **ANSWER:**

9 ? See Complaint. The trade secrets misappropriated by defendants include StonCor's  
10 installer list/network, StonCor's pricing strategy and policies, and customer lists. Discovery  
11 is ongoing and this may be supplemented.

12  
13  
14  
15 **INTERROGATORY NO. 12:** Identify any and all special training that plaintiff  
16 provides to its installer network.

17 **ANSWER:**

18 This seeks confidential, proprietary and trade secret information, which plaintiff  
19 believes defendant Campton has and/or intends to misappropriate. This information will be  
20 produced pursuant to a protective order for attorneys eyes only and for in camera review by  
21 the court.

22  
23  
24  
25 **INTERROGATORY NO. 13:** Identify any and all loan programs that plaintiff  
26 provides to its installer network.

1                   **ANSWER:**

2                   This seeks confidential, proprietary and trade secret information, which plaintiff  
3 believes defendant Campton has or intends to misappropriate. This information will be  
4 produced pursuant to a protective order, in redacted form, for attorneys eyes only and for in  
5 camera review by the court.

6

7

8

9                   **INTERROGATORY NO. 14:** Identify all steps and measures that plaintiff uses to

10 keep its installer network "exclusive".

11                   **ANSWER:**

12                   Before plaintiff enters into an agreement with an installer, plaintiff requires the  
13 installer to commit to an exclusive relationship with Stonhard regarding polymer flooring.  
14 Installers who work for StonCor competitors are severed from Stonhard's installer list and  
15 no longer utilized. Stonhard provides installers in its network a secure cash flow by paying  
16 most of their labor costs at the time the customer is billed. Stonhard also provides all  
17 administrative support (accounts receivable, marketing, etc.) for the Stonhard installers.  
18 Stonhard also provides training to the installers, a special website "Stonhard Installation  
19 Team," where installers can obtain technical information and tools and tips relating to their  
20 projects, a loan program and a predictable volume of work.

21

22

23

24                   **INTERROGATORY NO. 15:** Identify all steps and measures that plaintiff uses to

25 keep its installer network confidential.

26                   **ANSWER:**

1 Plaintiff takes many steps to maintain the confidentiality of its installer list. First,  
 2 every employee is required to sign the Code of Conduct, which specifically states that the  
 3 installer list/network is confidential. TMs and FSMs also sign employment contracts which  
 4 reiterate the duty of confidentiality. Second, plaintiff ensures the list/network is not  
 5 disseminated within the company. StonCor's policy is that the installer list is only available  
 6 by computer and is pass word protected. It is only accessible to the sales administrators, the  
 7 manager of corporate administration and the finance department, and in the last year, the  
 8 director of national accounts. Sales personnel and Territory Managers (TM) can not obtain  
 9 the list of installers outside their geographic territory or division.

10 Third, the company takes many steps to maintain the confidentiality of the installer  
 11 list from the general public. With limited exceptions, installers are required to wear Stonhard  
 12 tee shirts and not display their own company logos at job sites, to the extent that does not  
 13 conflict with site/security mandates. The point of contact for the customer, the general  
 14 contractor, and the architect, with regards to the installation, are all through the TM or FSM,  
 15 not the installers. Plaintiff schedules the installers, pays the installers and warrants their  
 16 work.

17  
 18  
 19  
 20 **INTERROGATORY NO. 16:** Identify all steps and measures that plaintiff uses to  
 21 keep its general pricing strategy confidential.

22 **ANSWER:**

23 Plaintiff objects to the term "general" pricing strategy as there is no "general"  
 24 strategy, but it is customer specific. Without waiving, all employees are required to sign the  
 25 Code of Conduct which expressly states that StonCor's pricing strategies are confidential.  
 26 TMs and FSMs also sign employment contracts which reiterate the duty of confidentiality.

1 StonCor's sales personnel are provided training on how to build a quote. Customers, general  
2 contractors, and others are not provided any information on how a quote is determined.  
3 Further, prices are not published on plaintiff's website or available to the public.

4

5

6

7 **INTERROGATORY NO. 17:** Identify all steps and measures that plaintiff uses to  
8 keep its customer lists confidential.

9 **ANSWER:**

10 Plaintiff requires all employees to sign the Code of Conduct which expressly states  
11 that customer lists are confidential. TMs and FSMs also sign employment contracts which  
12 reiterate the duty of confidentiality. Plaintiff does not publish or otherwise make available  
13 its customer lists. The customer list is maintained on Stonhard's computers and is password  
14 protected. Sales personnel and TMs can only access the customer list that pertains to their  
15 territory. Employees who leave Stonhard employment are required to return all customer-  
16 related documents.

17

18

19

20 **INTERROGATORY NO. 18:** Identify all steps and measures that plaintiff uses to  
21 keep its supplier lists confidential.

22 **ANSWER:**

23 Objection. Vague and ambiguous. To the extent defendant intends to inquire about  
24 installers, see answer to interrogatory no. 15. Otherwise, StonCor does not take strict  
25 measures to maintain the confidentiality of raw material/equipment/suppliers, but it does not  
26 publicize such supplier lists either.

1  
2  
3  
4 **INTERROGATORY NO. 19:** Identify all steps and measures that plaintiff uses to  
5 keep its pricing policies confidential.

6 **ANSWER:**

7 See answer to interrogatory no. 16.

8  
9  
10  
11 **INTERROGATORY NO. 20:** Identify all steps and measures that plaintiff uses to  
12 keep its sales and marketing information confidential.

13 **ANSWER:**

14 Plaintiff requires all employees to sign a Code of Conduct which specifically  
15 identifies sales and marketing strategies as confidential. TMs and FSMs sign employment  
16 contracts which reiterate their duty of confidentiality. Plaintiff's sales and marketing  
17 strategies are not published or in any way available to the public and are considered by the  
18 company to be proprietary and confidential.

19  
20  
21  
22 **INTERROGATORY NO. 21:** Identify all steps and measures that plaintiff uses to  
23 keep its pricing history confidential.

24 **ANSWER:**

25 See answer to interrogatory no. 16.

1  
2  
3 **INTERROGATORY NO. 22:** Describe all revenues that plaintiff generated from its

4 work for Costco since January 1, 1990.

5 **ANSWER:**

6 Objection. Not likely to lead to any admissible evidence, overbroad and unduly  
7 burdensome, and seeks confidential information, which if produced to defendants, could  
8 further harm plaintiff.

9  
10  
11 **INTERROGATORY NO. 23:** If plaintiffs will be calling any expert witnesses in

12 relation to the claims against defendants, identify each expert, provide a summary of each  
13 expert's training and experience, describe the opinions each expert will provide at trial and  
14 the facts and bases for each opinion.

15  
16 **ANSWER:**

17 Not yet determined.

18  
19  
20 **INTERROGATORY NO. 24:** Set forth any pricing structures, cost proposals, or

21 bids that you have presented to Costco Wholesale Company from January 1, 1990 to present,  
22 including:

23  
24 a. The product(s) and/or services to which the pricing relates;  
25 b. The methodology used to arrive at the pricing structure;  
26 c. The identity of each person who has knowledge or information about the

1 pricing structure;

2 d. The identity of each document which substantiates, shows, relates to, describes  
3 or contains information regarding the pricing structure.

4 **ANSWER:**

5 Objection. Not likely to lead to the discovery of any admissible evidence. Further,  
6 turning over StonCor's confidential and proprietary pricing structures, proposal and bids to a  
7 known competitor who has already used such information to his own advantage will further  
8 harm plaintiff.

9  
10  
11  
12 **REQUEST FOR PRODUCTION NO. 1:** To the extent not produced in response to  
13 the request above or in answer to interrogatories, please produce all documents (including  
14 electronic mail) evidencing any communication between you, or any person on your behalf,  
15 and Ali Moayeri from January 1, 2000, through the present.

16 **RESPONSE:**

17 See attached.

18  
19  
20 **REQUEST FOR PRODUCTION NO. 2:** Produce all documents, including but not  
21 limited to, handbooks, memorandum, policies, manuals, or other documents, which relate or  
22 pertain to any of plaintiff's trade secret or confidentiality policies or procedures.

23 **RESPONSE:**

24 See attached.

1           **REQUEST FOR PRODUCTION NO. 3:** Produce Christopher Campton's  
2 personnel file and any related employment documents including, but not limited to,  
3 performance evaluations.

4           **RESPONSE:**

5           See attached.

6  
7

8           **REQUEST FOR PRODUCTION NO. 4:** Produce the personnel file of the territory  
9 manager that "obtained the Costco account" (described in paragraph 9 of the Declaration of  
10 Richard Neill) and any related employment documents including, but not limited to,  
11 performance evaluations.

12           **RESPONSE:**

13           Not likely to lead to the discovery of any admissible evidence and seeks confidential  
14 information of persons who are not party to this case. Without waiving, a copy of Mr.  
15 Conroy's employment contract and a memo related to his obtaining the Costco account, are  
16 being produced pursuant to the protective order.

17  
18

19           **REQUEST FOR PRODUCTION NO. 5:** Produce all documents that discuss or  
20 relate to defendant Christopher Campton that describe or relate to the following:

21           a. 1984 oral employment contract with Stonhard;  
22           b. 1985 oral employment contract with Stonhard;  
23           c. 1987 written employment contract with Stonhard;  
24           d. 1989 written employment contract with Stonhard;  
25           e. 1990 oral employment contract with Stonhard;  
26           f. 1990 proposed written employment contract with Stonhard;

- 1 g. 1990 oral employment contract with Stonhard;
- 2 h. 2003 oral employment contract with Stonhard;

- 6 Stonhard;
- 7 l. Duties of National Account Managers;
- 8 m. Stonhard's Cost Book;
- 9 n. Stonhard P-File; and
- 10 o. Stonhard's Installer List.

11 **RESPONSE:**

12 (a), (b), (e), (g), (h): No such "contracts" existed therefore there are no responsive

13 documents.

14 (c),(d): See attached.

15 (f) Plaintiff has no such document(s) in our files.

16 (i) See documents contained in Campton's personnel file, produced herewith.

17 (j) Attached.

18 (k) None.

19 (l) Will be supplemented.

20 (m-o). Objection. Seeks confidential, proprietary and trade secret information.

21 Production of this information to defendants who have already misappropriated or are  
22 planning to misappropriate plaintiff's confidential and trade secret information, will further  
23 harm plaintiff. Further, requests for plaintiff's Cost Book and P-Files (aka Prospect Files)  
24 are overbroad and not likely to lead to the discovery of any admissible evidence. As to  
25 defendants' request for the installer list, that will be provided only pursuant to a protective  
26 order for attorney eyes and in-camera review only.

1  
2  
3 **REQUEST FOR PRODUCTION NO. 6:** Produce all documents that discuss or  
4 relate to defendant Hi-Tech.

5 **RESPONSE:**

6 See attached.

7

10 handbook, or documents which describe or relate to your employment policies for Stonhard's  
11 Territory Managers, National Account Managers and Field Sales Managers.

12 **RESPONSE:**

13 Objection. Overbroad, unduly burdensome, vague and not likely to lead to the  
14 discovery of admissible evidence. The documents relating to the confidentiality policy and  
15 non-compete have already been produced. (See RFP No. 2.)

16  
17  
18 **REQUEST FOR PRODUCTION NO. 8:** Produce all documents relating to any

4

5           **REQUEST FOR PRODUCTION NO. 10:** Produce all documents, agreements, job

6           descriptions or policies that relate to the position of Field Sales Manager.

7           **RESPONSE:**

8           See attached.

10

11           **REQUEST FOR PRODUCTION NO. 11:** Produce all forms of non-compete

12           agreements used by plaintiff between 1984 and the present for Field Sales Managers,

13           National Account Managers and Territory Managers.

14           **RESPONSE:**

15           Objection. Overbroad, unduly burdensome and not likely to lead to any admissible

16           evidence. Without waiving, the various forms of non-compete agreements are attached. See

17           also documents to RFP No. 2.

18

19

20           **REQUEST FOR PRODUCTION NO. 12:** Produce all financial records relating to

21           work performed by plaintiff for or on behalf of Costco since January 1, 1990, including but

22           not limited to records of financial projections, pricing information, budgets, orders, invoices,

23           receipts, and revenues from any work or services.

24           **RESPONSE:**

25           Objection. Overbroad, unduly burdensome, seeks confidential and proprietary

26           information which will further harm plaintiff if produced to defendants.

1  
2  
3 **REQUEST FOR PRODUCTION NO. 13:** Produce the National Account

4 Agreement and any extensions or amendments thereto, between Stonhard and Costco  
5 described in paragraph 9 of the Declaration of R. Neill.

6 **RESPONSE:**

7 Will be produced pursuant to the protective order.

8  
9  
10 **REQUEST FOR PRODUCTION NO. 14:** Produce all communication between

11 plaintiff and Costco from July 1, 2003 to the present that relate, discuss or describe the  
12 following:

13 a. Quality Assurance;  
14 b. Warranty claims or issues;  
15 c. Repairs;  
16 d. Complaints or requests for refunds, discounts or setoffs.

17 **RESPONSE:**

18 Objection. Overbroad, unduly burdensome, vague and not likely to lead to the  
19 discovery of any admissible evidence. Without waiving, defendant Campton was  
20 responsible for handling topics (a-d) and all communications on these topics would have  
21 been between defendant Campton and Costco.

22  
23  
24 **REQUEST FOR PRODUCTION NO. 15:** Produce all documents relating to

25 plaintiff's enforcement (and non-enforcement) of non-compete agreements between 1984  
26 and the present.

1           **RESPONSE:**

2           Objection as overbroad, as the request seeks documents dating back over 20 years.

3           Without waiving, see documents attached.

4

5

6           **REQUEST FOR PRODUCTION NO. 16:** Produce all federal tax returns filed by

7           Stonhard from January 1, 2002 through the present.

8           **RESPONSE:**

9           Objection. Not likely to lead to the discovery of any admissible evidence, and seeks

10           confidential information.

11

12

13           **REQUEST FOR PRODUCTION NO. 17:** All documents constituting, evidencing,

14           reflecting, discussing, describing, associated with, or relating to defendants' duties and

15           responsibilities while employed by plaintiff.

16           **RESPONSE:**

17           See documents produced above.

18

19

20           **REQUEST FOR PRODUCTION NO. 18:** All documents constituting, evidencing,

21           reflecting, discussing, describing, associated with, or relating to plaintiff's pricing practices

22           and procedures since January 1, 2000 for the Costco account.

23           **RESPONSE:**

24           Objection. See answer to Interrogatory No 24.

1           **REQUEST FOR PRODUCTION NO. 19:** All documents constituting, evidencing,  
2 reflecting, discussing, describing, associated with, or relating to plaintiff's special training  
3 provided to its installer network

4           **RESPONSE:**

5           Objection. See answer to interrogatory no. 12.

6  
7  
8           **REQUEST FOR PRODUCTION NO. 20:** Produce all loan agreements or contracts  
9 between plaintiff and any of its installers from January 1, 1990 through present.

10           **RESPONSE:**

11           Objection. Overbroad, unduly burdensome and confidential. Without waiving,  
12 evidence of loans to installers will be provided in redacted form pursuant to a protective  
13 order.

14  
15  
16           **REQUEST FOR PRODUCTION NO. 21:** Please produce a complete list of all  
17 brands of polymer flooring products you have utilized, specified or sold from 1990 to the  
18 present.

19           **RESPONSE:**

20           See [www.stonhard.com](http://www.stonhard.com)

21  
22  
23           **REQUEST FOR PRODUCTION NO. 22:** Please produce any documents which  
24 relate to any sales, installation or servicing you have made of polymer flooring products to  
25 customers from January 1, 2002 to the present.

26           **RESPONSE:**

1 Objection. Overbroad, unduly burdensome, not likely to lead to the discovery of any  
2 admissible evidence. Further, turning over StonCor's confidential and proprietary customer  
3 documents to a known competitor who has already used such information to his own  
4 advantage will further harm plaintiff.
